INTRODUCTION

*Young people of the third millennium
must be a source of energy and leadership
in our Church and our nation...*

*By equipping our young people with a sound education,
rooted in the Gospel message, the Person of Jesus Christ,
and rich in the cherished traditions and liturgical practices of our faith,
we ensure that they have the foundation
to live morally and uprightly
in our complex modern world.*

*This unique Catholic identity
makes our Catholic elementary and secondary schools "Schools for the human person"
and allows them to fill a critical role in the future life of our
Church, Country and World.*

(Catholic Schools on the Threshold, no.9)

POLICIES AND PROCEDURES

The fact that a child has been registered at Our Lady of Lourdes Catholic School (OLL) indicates that its policies, rules, regulations, and consequences have been examined and accepted by parents and guardians. It is expected that the judgment of school authorities concerning decisions, policies, rules, regulations, and/or the discipline of the students will be respected and supported by the parents and guardians. If conflict arises, parents and guardians are expected to discuss the problem privately with those concerned and not in front of the student(s), other parents, or guardians, or with others in general. Education is a partnership. The parent/guardian is the primary and principal educator: the school supports the parent/guardian in this endeavor. However, in the view of the pastor/administration, if there is a breakdown in this partnership, parents/guardians may be asked to remove their child(ren) from the school.

PREFACE

This Handbook is a guide for the families of Our Lady of Lourdes Catholic School. It outlines the operation of our school while defining the expectations for all community members. Included within are Our Lady of Lourdes Catholic School policies. Our Lady of Lourdes Catholic School's policies have been developed by the School Administration and the Pastor with the support of the School Advisory Council and with recommendations by the diocese. These policies are illustrative of "Fundamental Fairness."

The interpretation, definition and enforcement of these rules and guidelines are at the discretion of the school Administration.

Our Lady of Lourdes Catholic School reserves the right to make changes in this Handbook at any time and to make timely notification thereof. The policies contained in this Handbook supersede any other previous policies and will not be negated by any other Our Lady of Lourdes Catholic School policy issued before this date.

School Mission Statement

Our Lady of Lourdes Catholic School, as part of the parish faith family, builds a strong foundation by developing the unique, academic, physical, creative, social, and spiritual gifts of its students, empowering them to live the mission of Jesus.

School Vision Statement

Our Lady of Lourdes Catholic School is a forward-thinking, premier educational community that combines tradition with contemporary innovation, inspiring and developing young minds with Gospel values to embrace the future God intends.

We Believe...

- That each student is a unique child of God.
- That each member is gathered, nourished, and empowered by God's Word with the Eucharist as the source and summit of our Christian life.
- That students achieve greater success through a variety of educational approaches.
- That a safe, healthy, and spiritual environment is the responsibility of all.
- That a supportive and challenging learning environment increases the potential for responsible decision making.
- That each student realizes and desires to be personally accountable for his/her decisions and actions.
- That service and social justice must be an integral part of the school community.

School Logo:

The school logo depicts Mary, our Mother with the child Jesus. Founded in 1962, our school is named after a Marian apparition that occurred almost a hundred years earlier in France. The story of Our Lady of Lourdes is one of humility, courage, and transcendence. It is the story of a little girl, known for her disabilities, her lack of language skills and virtually non-existent academic abilities, who because of her child-like faith, was honored to be the messenger of Christ for the world. This Marian apparition is most

significant for its dogmatic revelation that the Virgin Mary is the Immaculate Conception. Just as Our Lady, with the Holy Spirit, brought Christ into our world, we, too are called to collaborate with the Holy Spirit to bring Christ into our community.

School Accreditation

Our Lady of Lourdes Catholic School is fully accredited by the Florida Catholic Conference, which acts as a liaison between the Catholic schools and the State Department of Education.

Our Lady of Lourdes Catholic School participates in on-going school improvement reviews to insure standards of excellence are maintained in our school.

Affiliations and Acclamations

Our Lady of Lourdes Catholic School is affiliated with the National Catholic Educational Association and the Florida Catholic Conference. We are also affiliated with the National Junior Honor Society and are members of the Pinellas Youth Conference.

School Colors:

Blue: in honor of Our Lady of Lourdes who was robed in blue and white.

Red: In honor of the Romans, the first defenders of our Faith.

Yellow: In honor of Our Lord, the Source and Summit of Our Salvation.

The Marian colors of blue and white will once again be fundamental to our identity. Likewise, our Roman red will continue to distinguish our sports community as it has since the founding of our school.

RESPONSIBILITIES AND EXPECTATIONS

Our Lady of Lourdes Catholic School promotes responsibility, respect, civility, and academic excellence in a safe, faith-based, learning and teaching environment. Operating on the premise that school, parish, and home create a team that works together for the benefit of all students, we – students, parents, teachers, staff, clergy and volunteers – have come together with a shared mind and purpose.

Each member of this community is expected to:

- Create a positive faith-based learning environment where all are accepted and encouraged to develop self-esteem and respect.
- Treat others with courtesy, respect, consistency, and fairness.
- Teach and model by positive example.

We teach their heads.

We teach their hearts.

And together they animate their hands.

November 2015*

ORGANIZATIONAL STRUCTURE

Our Lady of Lourdes Catholic School is owned and operated by the Parish of Our Lady of Lourdes. As a parochial school, we are a mission of our Lady of Lourdes Catholic Parish.

*"Young people of the third millennium must be a source of energy
and leadership in our Church and our nation....
It is imperative that we provide them with schools ready to address their*

spiritual, moral, and academic needs.”

*Renewing Our Commitment to Catholic Elementary and Secondary Schools in the
Third
Millennium, USCCB*

Students: We believe that every child is a gift from God from the moment of conception. We believe that the children enrolled in our schools, parish religious education programs and other programs must be treated with dignity, respect and care, as described in "A Sacred Trust, The Safety of Our Children" (National Catholic Education Association, 2003).

Student development is the purpose of Our lady of Lourdes Catholic School. Our students come to learn, to collaborate, to question, to share and to develop skills. It is therefore their responsibility to make a commitment to promote their academic success by:

- Attending school regularly and punctually.
- Coming to class on time with all necessary materials, e.g., textbooks, pens, notebooks, etc.
- Completing assignments and handing them in on time.
- Participating, to the best of their ability, in class and school activities.

Students are expected to demonstrate respect for the rights and safety of others by:

- Developing self-discipline.
- Demonstrating behavior that contributes to an orderly, supportive, and safe learning environment.
- Respecting and demonstrating consideration for other cultures.
- Complying with the school's dress code.
- Resolving conflicts and difficulties with others through discussion or, by seeking assistance from school personnel.

Parents: We believe children are influenced by home, community, and a society in which attitudes toward Christian values are often challenged. Parents, the source from whom children and youth derive their values, entrust their children to the Catholic school to instruct, complement and intensify the education and formation begun in the home. We are called to assist these parents in fulfilling their obligation for the Christian formation and education of their child; therefore, it is the parents' responsibility to ensure that:

- Their child attends school regularly and on time.
- Their child comes to school prepared to learn, having the necessary resources and supports.
- They engage in the education process, forming a collaborative team consisting of parents, teacher, and student.

Furthermore, parents are expected to:

- Support school policies and practices.
- Support teacher's decisions.
- Ensure regular and punctual attendance and encourage completion of all school assignments by their children.
- Attend school meetings and events and support the school.
- Maintain open Communication with staff by addressing concerns through proper lines of communication.

- Treat all staff with dignity and respect.
- Assist their children to establish positive attitudes towards achievement and respect for peers, school personnel and property.
- Inform the school of problem areas or areas of behavioral concern.
- Discuss with their children and support the school's policies.
- Provide school supplies, lunches, and clothing supplements.
- Follow through with lessons.

Teachers:

By choosing to teach in a Catholic School, each teacher assumes the responsibility to teach as Jesus did. The teacher models himself/herself after Christ the Teacher and daily imitates His words and actions in our school community.

As one who models the words of Christ the Teacher, the teacher must:

- Carry out all responsibilities and conduct oneself in a manner consistent with the religious, moral, and ethical principles of the Catholic Church both on and off school premises;
- Conduct oneself at all times according to the Diocesan "Code of Conduct for Employees and Volunteers Working with Children and Young People;"
- Grow in one's own relationship with God and sharing the richness of it with others in the school community;
- Speak respectfully to all in the school community, i.e. administrators, teachers, parents, and students;
- Engage in appropriate conversations with all staff members in both formal and informal settings;
- share words of comfort, compassion, and hope to all those in our school community in need of our support;
- Be present and punctual to meet the daily needs of our students;
- Collaborate professionally with colleagues to build and maintain high academic and spiritual standards for the school community;
- Meet all professional responsibilities completely, in a timely manner, and in a spirit of service and sacrifice;
- Be present to supervise/instruct students at all times indicated in the daily schedule and during emergencies.

The conduct of those working for Diocesan parishes and affiliate agencies and volunteering in our programs must reflect the mission of the Church to teach Christ's truth and extend His love and care to all. In addition, there is a heightened concern that those working with children and young people recognize the importance of legal, professional, and responsible conduct.

Finally, the Catholic school teacher is a privileged witness of Christ's love for his children, seeking to hand on the content and practices of the Catholic faith while fulfilling his/her Christian vocation and thus sharing directly in the mission of the Church which receives its call from Jesus who said, "Go therefore, and teach all nations."

Teachers have the right to teach in a safe environment, where students are respectful, kind, and ready to learn and parents are collaborative.

Administration:

The **Principal** is an experienced teacher with additional training in school management and leadership. Under the direction of the pastor, the school principal functions as the school's spiritual and academic leader fostering Catholic Identity in accordance with the school's mission statement and philosophy; and is also responsible for supporting the Diocese in its mission to evangelize and catechize youth in a Catholic School environment. The Principal shall be a minister of the Gospel and Catholic Teaching both academically and behaviorally while at work and in personal life. It is the Principal's responsibility to:

- Provide a school environment that is safe and welcoming to all.
- Promote the school mission and create an environment where the values of the school are aligned with those of the Parish and Diocese.

- Facilitate compliance of policy and regulation
- Facilitate a quality learning environment where curriculum is implemented with rigor, assessment is conducted consistently, regularly and with honesty, and that the learning environment is supportive of both students and teachers.
- Hire, Supervise and develop teachers and staff.
- Facilitate communication among all stakeholders that is efficient and effective.
- Facilitate the acquisition and effective and efficient use of resources.
- Manage record keeping as per Florida State and Diocesan requirements.
- Collaborate with the Pastor and all community groups in building a community of faith and excellence.

Pastor: “The pastor is the spiritual leader who takes special care of the Catholic education of children and young adults (Canon 528).” With this overarching and comprehensive responsibility, he oversees the management and leadership of the school.

Home and School Association: The Home and School Association ("HSA") is made up of parents of Our Lady of Lourdes students. All school families are automatically members of the HSA. The HSA promotes volunteerism and provides enrichment activities to benefit the students, parents, and faculty of our school. The Association is committed to providing service to the school, parish, and community.

School Advisory Council: The purpose and mission of the School Advisory Council is to act in an advisory capacity to the Pastor and Principal. The Council serves the three-fold purpose of advising the pastor and administration regarding school policy, long term planning and fostering good public relations. Members are appointed by the Pastor and Principal and serve at their discretion.

Annual Fund Committee: Encourage, Enrich, Empower completes the vision of diversifying the school funding opportunities by allowing any and every person within the school and parish community, who value faith based and academically challenging education, the opportunity to further participate in our school mission through financial support.

Parent/School Covenant

As parents/guardians of children in Our Lady of Lourdes Catholic School, we promise to read carefully and support the philosophy of the school, as stated in this Handbook. As a family, we promise to attend weekend Mass and Holy Days of Obligation, when possible. We promise to provide prayer experiences in our daily living and set a Christian example for our children. We promise to help our children with their lessons and take an active part in their education. We promise to support with regular attendance at Home and School meetings, to fulfill our required volunteer hours, and to assist with fundraising. We promise to follow the designated stewardship plan for the parish and use the envelope system for our offering to help the parish acknowledge our accountability. We understand that our reception of the Diocesan subsidy for tuition throughout the year is dependent upon our fulfillment of the covenant.

REGISTRATION INFORMATION

Non-Discrimination Policy

The Catholic schools of the Diocese of St. Petersburg admit students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available at all schools. They do not discriminate on the basis of race, color, national and ethnic origin in administration of their educational policies, admissions policies, scholarship programs, athletic programs, or any other school administered programs.

Admission

Our Lady of Lourdes Catholic School is a parochial school sponsored by Our Lady of Lourdes Catholic Church. Priority for admission into the school (and for re-registration for subsequent years) is given to Catholic children who are attending Sunday Mass weekly and whose parents or guardians are registered in the Parish and supporting the Parish through the use of the Parish envelope system or automated parish withdrawal.

Enrollment in the school in a particular year does not guarantee the child a place in the school in the following year. Applications for registration for the following year are accepted in January.

The Pastor and Principal will meet with the parents of all prospective students to determine whether OLL can meet the spiritual, educational, emotional, and social needs of the child. Standardized test scores, report card grades, and teacher recommendations are required. The Pastor/Principal will make the final decision regarding admission.

Age Requirements

- A child entering our early childhood Three-Year-Old Program (EC3) must be three years old on or before September 1st of the current school year.
- A child entering our early childhood Four-Year-Old Program (VPK) must be four years old on or before September 1st of the current school year.
- A child entering Kindergarten must be five years old on or before September 1st of the current school year.
- A child entering First grade must be six years old on or before September 1st of the current school year.

Admission Priorities

Our Lady of Lourdes would like to accommodate all siblings who follow the established criteria in the Early Childhood classes and Kindergarten.

The following priorities will be followed for Early Childhood and Kindergarten applicants. The applications will be ranked in each category according to the date of application.

Enrollment Priorities for Grades EC3-8

1. Siblings of OLL students who are OLL parishioners
2. Applicants from OLL parish
3. Siblings of current OLL students from other parishes
4. Siblings of OLL students who are non-Catholic
5. Catholic applicants that are children or siblings of alumni
6. Applicants from other parishes
7. Non-Catholic applicants

****Full day students will be given priority until June 1st.** We will make every effort to accommodate as many students as allowed by capacity. (Applicable to EC3/EC4.)

****New students entering 8th grade will only be considered for admission if they are moving from another state.**

Registration

Registration begins in January and is announced in the weekly electronic newsletter (Flocknote), as well as in the Parish Bulletin.

Current families will be notified in early January when online registration has opened. Current families will have priority in registering prior to Open Enrollment. Registration fees and paperwork must be completed in full to ensure your child’s placement.

For re-registration each year, a family’s account, service hours and parish support must be current for that year and will be used to determine active parishioner status.

Your child will be considered for acceptance only after all information has been received.

Immunizations

Florida State Law requires that school-aged children are immunized against communicable diseases. Catholic Schools within the Diocese of St. Petersburg require enrolling students to submit a Florida Department of Health Certificate of Immunization as provided for in Florida Statute 1003.22 as a condition precedent to acceptance. Catholic Schools in the Diocese of St. Petersburg do not recognize a religious objection to this immunization. This policy is effective as of the 2011-2012 school year. The immunizations are not optional and must be fulfilled in order for your child to be enrolled in school. Records of immunization must be submitted to the school on the DH 680 state form on or before the first day of school. Pinellas County requires the following schedule of immunizations for school aged children:

All families must complete/submit the following before school begins:

- A physical examination (completed within the last year) is required for Kindergarten students and all new students, documented on Form DH 3040 (ORIGINAL physical form).
- All students entering Kindergarten and all new students must submit Form DH 680 (ORIGINAL Certification of Immunization form).
- All children entering Kindergarten must have had all three Hepatitis B shots and a second Varicella vaccine.
- **Please note: If the fourth dose of polio vaccine is administered prior to the fourth birthday, a fifth dose of the vaccine is required for Kindergarten entry. This requirement applies to Kindergarten only, no other grade.**
- **Students entering grades 7 and 8 are required to have 1 Tdap.**

Please note the following immunization requirements:

VPK 4-year-olds	Kindergarten	Seventh Grade
4 DTaP	5 DTaP	1 Tdap
3 Polio	4-5 Polio	
1 HIB	2 MMR	
1 MMR	Hepatitis B Series (3 shots)	
Hepatitis B Series (3 shots)	Varicella (2)	
Varicella		

****Note:** The *Diocese of St. Petersburg* does **not** accept any Religious Exemptions. Please ask your family physician if there are any concerns or questions regarding these immunization requirements.

Consent to Exchange Information

No information regarding a current or former student may be exchanged with any non-school based party without a signed, written **Consent to Exchange Confidential Information**, except in situations of suspected abuse, neglect, exploitation, endangerment, or medical emergency. This form is available in the school office and must be signed by the parent/guardian.

Title IX

Our Lady of Lourdes Catholic School adheres to the tenets of Title IX: “No person in the United States shall, on the basis of sex, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

Non-Custodial Parents

This school abides by the provisions of the Buckley Amendment with respect to the right of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. If there is a court order specifying non-release of a child to the non-custodial parent, it is the responsibility of the custodial parent to provide the school with a copy of the custody section of the divorce decree.

Accommodations for Students with Exceptionalities

Parents/Guardians of students with suspected or diagnosed special needs should contact the School Principal, Assistant Principal, or Resource Teacher's Office for assistance. Our Lady of Lourdes Catholic School may accept students with exceptional needs, though the school is not required to do so, if following discussion with the parent(s) and other advisory faculty, school pastor/administration believes the child's needs may be met. An academic, medical, and/or psychological evaluation from a licensed practitioner may be required to make the determination for enrolling a child. If possible, accommodations for a child diagnosed with learning disabilities or other exceptional needs will be made within the regular classroom. Additional services that may be offered include the school resource program, speech/language therapy (provided through the School District of Pinellas County), and Title I tutoring. Concerns about a currently enrolled child's academic progress should be brought to the attention of the classroom teacher. If a learning disability or other exceptional need is suspected, a meeting will be scheduled with the Resource teacher, and involved teacher(s).

Probationary Reports

All new students or students promoted conditionally will be placed on probation for a **nine (9) week period**; if warranted, probation will be extended for an additional six (6) weeks. Reports are sent to parents/guardians every **third (3rd) week**, to allow families and the school time to assess whether placement at Our Lady of Lourdes Catholic School is the best placement for the child. The probationary period is for both academics and behavior. Prior to the end of the probationary period, school administration will conduct an informal evaluation to determine if the student's needs are being met and if the placement is appropriate. Administration and/or teachers may recommend that a student presently in the school be placed on probation at any time if academics or behavior become consistently unsatisfactory.

SCHOOL HOURS & ATTENDANCE

Office Hours

7:00am-4:00pm

Instructional Hours

7:50am-2:45pm

Attendance Policy

Success in any field requires a continuous daily effort. Nowhere is this truer than in education. The quality of learning for any student reflects the regularity with which he/she attends classes. Our attendance regulations have been formulated as a means of helping our students develop habits which will serve them best while in school and in later years.

State of Florida law requires those children between the ages of 5 and 16 attend school. Regular attendance and punctuality have a marked influence upon scholastic achievement. Attendance is an essential element to good progress in school. The school is required to report "truancy" to the Department of Children and Families when there is an extended absence without notification from the parent or guardian.

School calendars are distributed to families to aid them in planning family vacations. Schools strongly encourage families to plan vacations during scheduled school vacations. Any vacation related absences will be included in the student's total number of absences. Parents are also encouraged to schedule their children's medical and dental appointments after school. Parents are also asked to please honor the school calendar and plan vacations that coincide with the school holidays.

Ten (10) tardies in a trimester are considered excessive. A notification will be sent home on the tenth tardy. A conference with the school counselor and homeroom teacher will be mandatory.

Six (6) absences in a trimester are considered excessive. A notification will be sent home on the sixth absence. A conference with the school counselor and homeroom teacher will be mandatory. On the seventh absence, consequences may be given. If your child is going to be out for any length of time due to a family commitment, please send a note to the school office at least a week in advance.

Students should not be permitted to return to school unless well enough to participate in school activities. Students must be present for at least four (4) hours of the school day to be considered present that day. In order to participate in any after school activities, including the extended day program, students must be present on that day. Students who are absent more than 20 school days during the year may be under administrative review for academic retention and may be asked to withdraw from Our Lady of Lourdes Catholic School.

Students who are absent are required to make up work missed in each class. If a student is out for only one or two days, upon return to school, the student should meet with the teacher about the work missed. The student will be given a deadline by the teacher to complete and turn in these assignments. It is the responsibility of the student to see that the work is completed. The student may log on to the portal (i.e. FACTS SIS or Microsoft Teams/Google Classroom) to check the homework missed. If work is not made up by the deadline specified by the teacher, the grade for work missed may be recorded as a zero.

Any student who is absent on the day of a scheduled summative assessment will be expected to make it up upon his/her return to school. For every day a student is absent, he/she has that number of days to make up the summative assessment (i.e. 1 day missed = 1 day for summative assessment.) It is the student's responsibility to speak with his/her teacher regarding missed assessments. In the event of multiple-day absences, the teacher will determine when all assessments will be taken.

Tardy:

Students are expected to enter the school cafeteria each morning between 7:15am and 7:50am to wait for Prayer and Assembly. Students who enter through the front door after Prayer and Assembly will be counted as tardy.

It is the responsibility of all parents to insure their children arrive on time for school. In the morning, the cafeteria doors close at exactly 7:50 AM, as this is when morning prayer begins. If you arrive after this time, you are required to park your car in the parking lot and walk your student into the building, as it is unsafe for them to be un-escorted. Students will be signed in by office staff and wait in the office area until Prayer and Assembly concludes, and will be counted as tardy.

Notification of Tardy/Absence:

Parents/guardians must notify the school office of a child's absence by calling 727-733-3776 or emailing (frontdesk@myoll.com) prior to 8:15 a.m. As a safety procedure, if a child is absent and the parents have not called, the school will attempt to contact the parents. When a student is absent, the school must receive communication from parents/guardians explaining the reason for the absence, either voice message or electronic. The communication must include 1) the child's full name, 2) dates of absence, and 3) the nature of illness or reason for absence.

In the case of prolonged medical absence, three or more days, parents should call the office before 8:15 a.m. for missed class work and homework, so the work can be prepared and be ready for pickup at dismissal time. Due to teaching schedules, it may take up to 24 hours to have materials prepared for pick up in the school office. Based on the number of days absent and the amount of work missed, a reasonable amount of time will be allowed for its completion.

Primary/Intermediate Students: **Five** late arrivals within a one nine-week period are considered excessive and will result in a mandatory parent meeting with Administration.

Middle School: **Five** late arrivals within a one nine-week period will result in a detention, and may result in parent meeting with Administration.

Leaving During School Hours

Two (2) early departures in a trimester are considered excessive. For students who exceed this number, notification will be sent home and a conference with the Principal may be required.

When students leave during school hours, parents must provide written notification to the front office (frontdesk@myoll.com), and classroom teacher. It should state when the child will be picked up and the reason for their release. They will be called to the school office upon the arrival of their parents. Parents must sign out their children before leaving. When returning to the school before regular dismissal, parents must accompany their child/ren back into school. Parents are asked to consult the school calendar before scheduling appointments during school hours. Students will not be allowed to be signed out during the last 15 minutes of school, unless there is an emergency.

Withdrawal

When a student withdraws, parents are given a copy of their latest report card to present to the receiving school. All fees must be current before the transfer. A copy of the permanent record card and health records will be sent directly to the receiving school upon request. A Student Withdrawal Form must be completed. Parents who are withdrawing their child/ren must give a 30-day written notice to be eligible for reimbursement of tuition. Without a 30-day written notice, Our Lady of Lourdes Catholic School reserves

Arrival Procedure

Children may be dropped off at 7:15 in the morning. Teachers and the Safety Patrol are on duty at that time. (Before Care is available beginning at 7:00am in the cafeteria, only if special arrangements are made with the School Office.) Cars may pull up slowly to the crosswalk in front of the cafeteria. Those on duty will help students out of the car and make sure they get safely into the cafeteria where they sit at assigned tables. If parents choose to park and walk their child into the cafeteria, they are to cross at the crosswalk. The crosswalk must be used at all times when crossing between the Conmy Center and the school.

Dismissal Procedures

Regular Dismissal

Parents should keep their car tag with family name displayed in the front car window. The speed limit in our parking lot is **15 MPH**. Parents should arrive no sooner than 15 minutes prior to dismissal, as earlier arrival interferes with normal traffic flow on campus. Parents should stay in their car and allow children to get into the car. Students who are not picked up by 3:00pm will be sent to Extended Day, and parents will then need to sign out their child and will be charged an Extended Day fee. For students picked up after carline dismissal the full daily rate for Extended Day will apply.

Rainy Day Dismissal

On rainy days, please form a single line of traffic and drive up to the overhang in front of the building. Our Lady of Lourdes School personnel will bring students to the car. All students will be seated in the cafeteria waiting to be called. In case of close lightning strikes, children and school personnel will stay in the building until the dangerous weather passes.

Bike Safety

All bikes must be parked and secured in the bike area. Students riding their bikes home must go immediately to the bike area at dismissal, walk their bikes across the crosswalk, and then ride their bike from the property home. Written permission from home is required for a student to ride a bike.

Walkers

Students should cross at the crosswalk and use the sidewalk on San Helen Drive to leave the school grounds. Written permission from home is required for a student to walk.

Parking during School Hours

Parents who are at school for volunteer work should park their cars in the side lot between the school playground and the DuBois Center, or around the Conmy Center.

STUDENT LIFE

SCHOOL INSTRUCTIONAL PHILOSOPHY

We believe that children are made in God's image and that each child is unique. Using a combination of tradition and innovation based on sound research, our aim is to create a balance between skills, creativity, and responsibility.

Curriculum

Our academic program is developed according to the standards and benchmarks provided by the Office of Catholic Schools. Our core programming meets or exceeds the standards and benchmarks.

Religion:

While academic achievement is very important, religious formation is of equal importance at Our Lady of Lourdes Catholic School. Students are expected to participate in religious education classes and all additional Eucharistic and Religious Celebrations, including Sunday Masses. The Religious Education Program for Kindergarten to Grade 8 follows a curriculum approved by the Diocese. Our Lady of Lourdes School follows the Christ Our Life series published by Loyola.

The main focus of the religion program is to impart Catholic truths and values. We establish our Catholic identity by living Christ's Gospel message of worship, prayer, and service. Religion standards are provided through the Diocesan Office of Faith Formation. Students intending to receive the Sacrament of Holy Eucharist, Penance and Confirmation are required to attend classes through the Church in addition to the preparation they received during regular religion classes.

Core Subjects:

The goal of our academic programming is to develop a lifelong love for learning, a diverse skillset, and a passion for excellence. Our innovative curriculum is well-planned and balanced at each grade level. It encourages critical thinking, problem solving, collaboration skills and independent learning. Our core academic subjects are Religion, English/Language Arts, Mathematics, Science, and Social Studies.

The Florida Core Curriculum is used for the subjects of English/Language Arts and Mathematics. For all other subjects, the Florida Next Generation State Standards are used. To find out more information about the standards and benchmarks visit www.cpalms.org

To meet our students' individual learning needs, remedial and advanced programming may be available. Students are placed in these programs based on school evaluation facilitated by the school Resource Teacher. Our Lady of Lourdes offers all students classes in STREAM and MakerSpace.

The religious beliefs of the Catholic faith permeate the curriculum.

Co-Curricular Subjects:

Our academic curriculum is enhanced by an offering of co-curricular learning opportunities from EC3 – 8 including: Physical Education, Art, Music, Library/Media, and Spanish. All students are required to participate in all of the co-curricular courses

Physical Education is a required subject for all students. A note from a physician must be presented before a student is excused from participating.

A Violin performance program is offered for students in Grades 3 - 5.

Humanities are offered to students in Grades 6-8 once per week and provide students with enrichment opportunities.

and Woodworking. Each year, the selections change. Students are divided into small groups of 8-12 students and rotated through three different humanities per year.

Safe Environment

As directed by the Diocese of St. Petersburg, we have a school wide Safe Environment Curriculum for students. This multimedia curriculum integrates a broad variety of resources into a comprehensive student safety and awareness program. It is presented to the students through a cooperative effort of the classroom teacher and School Counseling office.

Resource and Guidance

A Resource Teacher is available to students to assist in the implementation of modified academic plans. The Resource Teacher serves as the director of the Student Intervention Team (SIP) and works as a liaison to Pinellas County IEP services. This position is also a liaison to support and mental health counselors to assist students in their development of healthy self-esteem, problem solving, peer relations, and other matters. Teachers may refer students for this type of service, with parent permission. Students and/or parents may request an appointment with the guidance counselor. Parents are notified if the situation warrants.

Guidance Counselling is provided by Dolores Mortimer through House of Mercy and Encouragement. Class-based guidance lessons are facilitated on a weekly basis. Individual student counselling may be available upon request.

Media Center

The Media Center is an area of the school that must be respected. Students are responsible for the materials they use and check out. Reference materials may not be removed from the Media Center. Lost or damaged books or materials borrowed from the Media Center must be paid for at the replacement price.

Textbooks

Students are responsible for the textbooks and workbooks issued to them. They are expected to protect their books by covering them and keeping them clean. Students will label textbooks and workbooks with their name. Books that are lost or damaged must be paid for at full replacement cost.

Sports Program

Our Lady of Lourdes Catholic School proudly offers a well-established athletics program that fields twenty sports teams every year. We offer ten teams for male students and ten teams for female students, with equal amounts of varsity and junior varsity opportunities.

Students in Grades 4 to 8 are invited to try out for sports.

Student athletes are representatives of our school and are expected to act with the utmost integrity and character, both on the field and in the classroom. As such, student athletes must maintain at least an overall 2.0 average and have no failures. Should a student athlete drop below these academic and/or behavioral requirements, he or she will not be able to practice or play in any games for the remainder of that sport season.

Creative Arts Programs

We offer a rich and diverse creative arts program which includes both visual and performing arts. Each year we present a theater production, as well as participate in many community activities with our choral and violin programs. Student performers are representatives of our school and are expected to act with the utmost integrity and character at all times. Student performers must maintain at least an overall 2.0 average

and have no failures. Should a student performer drop below these academic and/or behavioral requirements, he or she will not be able to practice or participate in any production for the remainder of that activity.

School Masses

All students and staff attend the 9:00am Mass each Thursday. Masses for Holy Days of Obligation are also held at 9:00am with the entire school community in attendance.

Students rotate by class in the planning and leadership of school Masses through prayers, responses, hymns, altar serving, and other components. Everyone is expected to participate with enthusiasm, reverence, and respect. Parents and community members are welcomed and encouraged to attend these school Liturgies.

Students who are Catholic and have received the Sacrament of Penance will have semi-annual opportunities to participate in the sacrament during school hours.

Additionally, students and their families are expected to attend the monthly Sunday morning School-Led Liturgy, designated as a school-led Mass. Please refer to the academic calendar for dates.

Students are to wear their Liturgy uniform to all school-led Masses.

Altar-Serving

Students who are in Grades 5 to 8 have the option to train to become an altar server to serve at School Mass, as well as weekend and special Liturgies. All students in Grade 4 train and participate as part of their class service project. For more information, contact Lisa Porthouse, our Sacristan at (727) 733-3606 or lisa@ourladydunedin.org.

Cafeteria

Hot lunch is available each day. Prices and updated menus are posted on the school website. Each class has a specific time set aside for a lunch period. As in all areas of the school, courtesy is expected in the cafeteria. Proper table manners are expected and required. Students are expected to leave tables and chairs clean and neat. Eating lunch at school is a privilege. Students are not permitted to leave the school grounds for lunch without written permission from their parents or guardians and leaving is at the discretion of school administration.

The entire lunch, including dessert and drink, will be eaten in the cafeteria under supervision. The designated lunch period includes supervised recess time on the playground.

Students who forget their lunch may phone home for a lunch, but this should be a rare occasion. If a lunch cannot be brought to school, the student will be provided a lunch and payment will be expected the following day. **Classroom teaching will not be interrupted to call a student down for his or her lunch.** Lunches will be placed on the front office desk and students may check the front desk on their way to the cafeteria. Neither fast foods nor candy may be brought to school for lunch or snack.

On the last Thursday of the month and on the child's birthday, parents may join their child(ren) for lunch in the cafeteria.

Playground

We have a well-equipped and well-kept playground. The same rules of safety and conduct used in the classroom buildings apply to the playground area.

Field Trips

Field trips are a privilege. They are educational in nature and an extension of the curriculum and regular classroom experience. All school rules apply when students are on field trips. Parent signature/s are required on a field trip permission form in order for students to participate. The field trip form indicates an acknowledgement by parents of the nature of the trip and the time supervision of the students will end. A parent-signed permission slip must be on file at the school prior to the field trip, otherwise the student will not be permitted to go.

Field Trip Chaperones

Chaperones must be completely qualified. Each chaperone must have completed and passed a Level II Background Fingerprint Screening through the Diocese of St. Petersburg, as well as a Safe Environment Training Class. The school reserves the right to carefully select chaperones to drive and supervise our students. Meeting the requirements for background screening and Safe Environment Training does not automatically give parents the privilege of chaperoning. Chaperones are expected to arrive on time, dress modestly, buckle all riders, drive carefully, and model good behavior with appropriate conversation throughout the trip. Smoking or using inappropriate language is not permitted at any time. Alcohol consumption and drug use is not permitted prior to or during the field trip.

Chaperones must begin and end the field trip at school with the class. Chaperones may not meet up with the class at the destination. They are never permitted to make side trips, such as stopping at the grocery store or a drive-thru. Only Our Lady of Lourdes Catholic School students are permitted on field trips.

Siblings are not permitted to attend.

Anyone providing transportation must have a valid Florida Driver's License and automobile liability insurance. **Copies are to be left with the front office prior to leaving on the field trip.**

The vehicle used must be in safe operating condition and the number of passengers must not exceed the maximum occupancy for that vehicle. The Diocese of St. Petersburg provides insurance coverage, but only as secondary source after drivers' insurance. In order to be covered under the Diocesan Plan, proof of insurance must be furnished.

Exemplary conduct is expected on all field trips. This is an opportunity for students to give witness to the values of Our Lady of Lourdes Catholic School Community.

Student Council

Students have a voice in their school through their representative to the Student Council. Grades 4 through 8 elect its own representative and the officers are elected by the student body. The Student Council is in charge of school spirit, as well as service projects and fund raising.

Yearbook

Our Lady of Lourdes Catholic School publishes an annual yearbook in which all students will be included. The yearbook is sold exclusively to Our Lady of Lourdes Catholic School students and families.

Lockers

Lockers are property of Our Lady of Lourdes Catholic School. Locks are not permitted.

Lost and Found

Any items found on school property must be turned into the school office or Lost and Found. Students who lose items should check with the office and/or Lost and Found. It is important to label your child's name on everything brought to school. Labeling belongings greatly helps to identify items misplaced at school.

Birthdays

Parents wishing to send in a treat for their child's birthday are asked to send in something simple such as cookies or cupcakes. Parents are asked to refrain from bringing items that contain nut products to ensure the safety of students with nut allergies.

The treat will be shared with the class during lunchtime only. Please keep in mind that gifts such as balloons and flowers are very distracting and will not be delivered to classrooms or Extended Day. These items are best saved for after the school day.

Parents are invited to come to school to eat lunch with their child in the cafeteria on his or her birthday. Parents are welcome to bring lunch on this day.

Invitations to Out-of-School Parties

Invitations to parties held in a private location may not be distributed at school unless every student in the class is invited.

Supplies, Text books, iPads and Library books

A list of school supplies needed for the start of the school year will be made available to parents online at www.myoll.com. Textbooks and library books are lent to the students for the duration of the school year. Fees will be assessed for damage to the books. If a book is lost, the student will be asked to pay the replacement cost. iPads are utilized in Grades 6-8 for, fees will be assessed for students who leave their iPad unattended. Students will be required to pay all repair/replacement costs if they have damaged a device more than once in three years, or the damage was incurred due to carelessness or improper treatment.

DOSP BEST GRADING PRACTICES (K-8)

Best Grading Practices (K-8) Office of Catholic Schools and Centers Diocese of St. Petersburg

A. Philosophy

We believe ...

- Students should have a clear understanding of the learning objectives.
- Our system of grading should be timely, specific, fair, and accurate.
- Grades should be based on a well-defined set of standards.
- Grades should be an accurate measure of a student's ability to demonstrate understanding.
- Criteria that are not a direct measure of student learning, such as work habits and behavior, should be reported separately from the academic grade.
- Assessments are critical to the teaching and learning process.

B. Purpose of Assessment

An assessment is defined as any instrument that is able to indicate or provide feedback on student achievement or performance. The purpose of an assessment may be summarized as follows:

1. To provide information to students in regard to their progress towards mastery of a learning standard(s). In addition, it provides information for self-evaluation and the incentives to learn.
2. To provide information to teachers on the individual student's level of mastery of the content/skill.
3. To allow teachers to use assessment data to plan instruction that will meet the needs of students.
4. To communicate information to parents/guardians about student achievement and performance in school.

C. Types of Assessments

While assessments will take many forms and types, they will be grouped under two broad categories.

Formative

Whenever a student learns new material, he or she needs time to practice and gain familiarity with the material. It is expected that the student will make mistakes during this learning process. Any work done during this learning period is considered *formative*. The purpose of a *formative* assessment is to evaluate where a student is in the learning process, diagnose any problems, and motivate and help the student learn the material. Formative assessments also inform the teacher of learning areas that may need reinforcement or re-teaching.

Summative

After a student has had instruction and practice on a topic, including assessments of a formative nature, it is then necessary to evaluate mastery of understanding, content, or skills. The purpose of a summative assessment is to evaluate how well a student knows and understands the material.

D. Purpose of Grades

A grade is a recorded score derived from an assessment or assessments. The purpose of grades may be summarized as follows:

1. To provide information to students with regard to their performance relative to the learning standard(s).
2. To provide information to teachers on the individual student's level of mastery of the content/skill.
3. To communicate information to parents/guardians about student achievement and performance in school.
4. To document student performance for transcripts.

E. The Grade Composition

In order to represent an accurate measure of student performance, the academic trimester grade needs to be based on work that is evaluated for an appropriate level of mastery of the standards. Summative assessments will therefore be the primary constituent of the trimester grade. They will account for no less than 70% of the trimester grade. Formative assessments will account for no more than 30% of the trimester grade.

1. All grading is done using the 100-point scale.
2. The lowest "earned" grade is 50.
 - a. An "earned" grade is derived from any assessment that is attempted and handed in.

- b. An attempted assessment is one where the student has made a diligent attempt to follow the instructions and complete the assessment.
- 3. Assessments not attempted or not handed in will receive zero points.

Completed student work will be assessed and is a direct measure of student learning. Non-academic attributes will be reported separately. Please see *Section G: Reporting Conduct and Approaches to Learning*.

F. Grading Scale

Letter Grade	% Score
A	90-100
B	80-89
C	70-79
D	60-69
F	50-59

G. Reporting Approaches to Learning

Our Catholic schools recognize that the cultivation of good behavioral and learning habits and behaviors support learning in the long run.

Approaches to Learning (ATL)

While schools may create their own rubric for ATL, the principles of Organization, Communication/Collaboration and Reflective Thinking should be the focus for all ATL behaviors. The following are the indicators of Organization, Communication/Collaboration and Reflective Thinking.

Organization

- Prepared for class
- Punctual with homework and in-class assignments
- Completed homework and in-class assignments

Collaboration & Communication

- Participates in class
- Attentive and engaged during instruction
- Demonstrates helpfulness and teamwork

Reflection & Personal Initiative

- Open to teacher help and correction
- Makes effort to improve behavior/performance by seeking help when needed
- Makes time for personal study and improvement

The following is an example of a rubric for the reporting of ATL.

ATL Code	Organization	Collaboration & Communication	Reflective Thinking
4 Exceeds	Consistently displays readiness to learn through preparedness, punctuality and task completion.	Consistently attentive and engaged; participates well in class; works well in groups; seeks help when needed.	Consistently open to teacher feedback; reflects on how to keep improving; produces quality work; makes time for personal study and improvement.
3 Meets	Frequently displays readiness to learn through preparedness, punctuality and task completion.	Frequently attentive and engaged; participates well in class; works well in groups; seeks help when needed.	Frequently open to teacher feedback; reflects on how to keep improving; produces quality work; makes time for personal study and improvement.
2 Developing	Occasionally displays readiness to learn through preparedness, punctuality and task completion.	Occasionally attentive and engaged; participates well in class; works well in groups; seeks help when needed.	Occasionally open to teacher feedback; reflects on how to keep improving; produces quality work; makes time for personal study and improvement.
1 Rarely	Rarely displays readiness to learn through preparedness, punctuality and task completion.	Rarely attentive and engaged; participates well in class; works well in groups; seeks help when needed.	Rarely open to teacher feedback; reflects on how to keep improving; produces quality work; makes time for personal study and improvement.

H. Other Matters on Assessment and Grades

1. Honor Roll

Honor Roll is awarded to students who encompass merit and integrity that result in academic and behavioral success.

Honor Roll eligibility is determined by:

- a. Grades in all subject areas
- b. Approaches to Learning (ATL) in all classes
- c. Conduct in all classes

Students can earn Principal's Honors or Honors. Eligibility requirements follow:

Principal's Honors

- No grade lower than an A
- 3 or 4 in ATL
- 3 or 4 in Conduct

Honors

- All grades are a B or higher
- 3 or 4 in ATL
- 3 or 4 in Conduct

2. Make-Up of Academic Work during Absence

Students who are absent are required to make up work missed in each class. If a student is out for only one or two days, upon return to school, the student should meet with the teacher about the work missed. The student will be given a deadline by the teacher to complete and turn in these assignments. It is the responsibility of the student to see that the work is completed. The student may log on to the portal to check the homework missed. If work is not made up by the deadline specified by the teacher, the grade for work missed will be recorded as a zero.

In the case of prolonged absence, three or more days, parents/guardians should call the office before 9:00 a.m. for missed class work and homework so that the work can be prepared and be ready for pickup at dismissal time or sent via e-mail. Based on the number of days absent and the amount of work missed, a reasonable amount of time will be allowed for its completion.

Homework assignments for extended absences should be arranged with the teacher. Parents/Guardians may pick up textbooks, if necessary, at the end of the school day but should email the teacher by 10:00 a.m. to arrange this. Requests for homework should be made by contacting the classroom/subject teacher. Due to teaching schedules requests may take up to twenty-four hours to be completed.

3. Make-Up of a Scheduled Summative Assessment during Absence

Any student who is absent on the day of a scheduled summative assessment will be expected to make it up upon his/her return to school. For every day a student is absent, he/she has that number of days to make up the summative assessment (Ex. 1 day missed = 1 day for summative assessment.) It is the student's responsibility to speak with his/her teacher regarding missed assessments. In the event of multiple-day absences, the teacher will determine when all assessments will be taken.

4. Retakes

*The focus of our Catholic schools is to always encourage and support the learning process that leads to mastery. This retake policy supports this emphasis on learning and relearning. Teachers have the discretion to refuse retakes to students who do not fully engage in the learning process prior to the summative.**

The following retake policy is designed to encourage relearning on the part of the student.

Criteria for Retakes

Grades K-5

1. The retake process is initiated by the teacher. The teacher will communicate with the parent/guardian when a retake is necessary.
2. A student may retake a summative once.
3. Students may be required to participate in additional practice in order to qualify for a retake.

Grades 6-8

1. The retake process **must** be initiated by the student.
2. A student may retake a summative once.
3. The Application for a Retake should be completed by the student (with parent/guardian, if needed), signed by student and parent/guardian, and returned to the examining teacher no more than five (5) school days after the grade has been posted.
4. On the Application for a Retake, the student will identify the deficient standards/topics and include a clear learning plan and timeline to close the learning gap.
5. Students may be required to participate in additional practice in order to qualify for a retake.

Limitations and Deadlines

1. Only one retake will be allowed per summative.
2. All graded formative assessments must be completed prior to the original summative.
3. The retake for any summative in a unit must be completed before the date of the first summative of the following unit.
4. Semester/Trimester exams and summatives that are extended projects with ongoing feedback and clear completion deadlines do not qualify for retakes.
5. The student will forfeit the retake opportunity if either the scheduled retake date or a scheduled teacher required additional practice is missed, unless excused or rescheduled by the teacher.

Teacher Facilitations

1. Teachers will group summative assessments around specific learning standards to help the student identify deficiencies and plan a successful retake. Teachers will post retake dates when the summative assessments are returned.
2. The retake will only assess the deficient standards, allowing the student to focus on closing the learning gap and improving the assessment score. The higher grade (out of the retake or the original grade) will be recorded for credit in the grade book.

3. Teachers have discretion and may require that a student complete missing ungraded assignments correlated to the deficiencies before the retake is administered.
4. Teachers have discretion over the format of the retake assessment.

*Teachers reserve the right to deny a student from a retake before, during, or after the retake form is completed if the teacher can show due cause as to why there should not be a retake. This may include, but is not limited to, situations that involve academic dishonesty.

PROMOTION / RETENTION / SUMMER SCHOOL

Our Lady of Lourdes Catholic School strives to insure that each child has a valid formation in the basic skill areas that will render him/her capable of living in society as a responsible citizen. Therefore, in order for a student in the primary grades (K, 1, and 2) to be promoted to the next grade, he/she must demonstrate an overall mastery in the areas of Language Arts (Reading, Grammar, Composition, Spelling) and Mathematics skills, as indicated on their respective report cards.

The core subjects for students in grades three through eight in the Catholic Schools of the Diocese of St. Petersburg include: **Religion, Math, Language Arts, Science, and Social Studies**. A student enrolled in a Catholic school who fails one core subject must participate in a remedial program. Failure of two core subjects will result in remediation or retention at the discretion of the school principal. Failure of three or more core subjects will result in retention.

The following criteria must be met with regard to the remediation process:

1. Remediation must take place in one of the following ways:
 - By a teacher certified in the subject area contracted by the parent/guardian and approved by the school principal;
 - In a remediation program which has been approved by the school principal.
****Neither the student's current teacher, nor any teacher who presumably will be the subject area teacher in the future, may tutor or provide remediation for a student.***
2. Prior to the beginning of the next school year, the school principal must receive:
 - Validation of attendance;
 - Proof of proficiency in the subject area(s), including work samples and test scores.
****Failure to meet remediation guidelines will result in retention.***
3. The following documentation guidelines will be followed after meeting remediation guidelines:
 - The original failing grade is recorded on the permanent record and may not be altered;
 - Proof of proficiency in the subject area must be recorded separately on the permanent record card.

Our Lady of Lourdes Catholic School reserves the right to withhold a student's report card and FACTS SIS Parent Portal privileges if tuition and/or additional fees are not current, Home and School Meetings not attended, or parent-teacher conferences not attended.

Transfer Rule: Any student who fails one or more core subjects must meet the remediation guidelines of the originating school. After these criteria have been met, further assessment may be administered by the school Principal to ensure proper placement.

Homework and Make-Up Assignments

It is the policy of the school to have regular homework assignments. The purpose of homework is to extend or reinforce the learning which has taken place during the day.

Absence from school does not excuse a student from written or study assignments. Students are responsible for the subject matter in all classes, even when they have been absent. It is the student's responsibility to get make-up work from the Parent Portal or from their teachers. For each day that a student is absent, they are given one day to turn in their missed work. For example, if a student is absent for three days, all missed work must be turned in within three days of returning to school. Parents requesting

work to be sent home for an absent child must give teachers 24-hour notice.

RELIGION

Religious training is of the utmost importance and forms an integral part of school life. Students attend daily Religion classes that provide the foundation for a clear understanding of Catholic faith and living.

The student body has the opportunity for Reconciliation, Mass, and Eucharist on a regular basis. Para-liturgical celebrations are also scheduled for special feasts.

Every effort is made to lead the student to live his/her Christian commitment daily in all he/she does. Parents/Guardians are asked to cooperate in the faith formation of their children, especially through the example of their own Christian living in the circumstances of each day and in their faithful observance of the Sunday obligation.

REPORT CARDS

Report cards are distributed three (3) times a year.

STUDENT RECORDS

The student permanent record card contains the following information: student's full name and any known changes thereto due to adoption; authenticated birth date, place of birth, race, and sex; last known address of student; names of student's parent(s) or guardian(s); name and location of last school attended; number of days present and absent; date enrolled; date withdrawn; courses taken and a record of achievement; date of graduation; standardized test results; health data, sacramental information, divorce decree, and custodial information, if applicable.

If parents, guardians, or an eligible student (18 years or older and self-supporting) wishes to view this record, this request must be made in writing and submitted to the school with no less than twenty-four hours notice. The inspection and review of the record will be held in the presence of the school principal or assistant principal.

STANDARDIZED TESTING

NCEA ACRE (*Assessment of Catechesis/Religious Education*): is designed to assist in the evaluation of catechetical/religious education programs in Catholic schools and parishes. As an integrated assessment tool, NCEA ACRE provides faith knowledge questions (cognitive domain) and questions related to religious beliefs, attitudes, practices, and perceptions (affective domain). Our Lady of Lourdes students are required to take the ACRE tests in grades five and eight. Individual student test results are available to parents/guardians.

TERRANOVA 3: Schools in the Diocese of St. Petersburg used to participate in the Iowa Assessment which, was administered in the spring. Effective for the 2018-2019 school year, the Diocese of St. Petersburg's Office of Catholic Schools and Centers has promulgated that all K-8 Catholic schools within the Diocese will now take the TerraNova 3, also to be administered in the spring. The TerraNova 3, similar to the Iowa Assessment, is a standardized achievement and abilities testing program. Our Lady of Lourdes students are required take the TerraNova 3 in grades two through eight. Individual student test results are available to parents/guardians.

The NWEA Map diagnostic assessment is a computer-based mathematics, reading, and language assessment. It is completed in Grades K-8 three times per year: fall, winter, and spring. This standardized assessment is adaptive to the student based on his/her response patterns. With this feature, the assessment allows for an accurate picture of what the student knows and is able to do, with an emphasis on critical thinking. The teachers utilize this assessment to create differentiated instruction within the classroom, as well as get a view of the overall strengths and weaknesses of the individual student and the class as a whole.

CODE OF CONDUCT

Our Lady of Lourdes Code of Conduct is based on the two great commandments.

"You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind."

"You shall love your neighbor as yourself."

Our Catholic faith and school mission require us to live the Gospel message in our everyday lives. In order to ensure your child, and all students, the Christ-filled learning climate they deserve, we utilize a school-wide Code of Conduct. The primary purpose of our school is to ensure students develop to their full academic, physical, social, creative, and spiritual potential. This development best takes place in an environment that is safe and protects a student's right to learn. In order to create this type of environment, sensible rules are established and student responsibility and self-discipline are required. This provides an orderly framework in which individual goals can be realized. Our emphasis is on developing responsibility, self-discipline, and mutual respect.

Positive reinforcement is a focus at our school. Students who demonstrate positive behavior will earn both teacher/classroom recognition. Students who engage in inappropriate behavior will be counseled, warned, and receive appropriate consequences, as stated in our Discipline Policy.

Our concern is not for forced adherence to basic rules, but rather for the desire to have students assume responsibility to follow the rules of the community.

Student Expectations

Respect for Others - Students are required to show respect towards faculty, staff, administration, and classmates at all times. Behavior that disrupts classroom instruction, such as disrespect, excessive talking, not following teacher directions, making noises, or distracting other students is cause for disciplinary action. Poor attitudes, poor behavior, or any conduct detrimental to the reputation of the school, whether inside or outside the school, may result in detention, suspension, or expulsion.

Respect for Property

Students are expected to respect school property, both inside and outside the school building. Students are expected to report any damage to school grounds, such as bathrooms and locker rooms, or items assigned for their personal use, such as iPads, textbooks, lockers, and desks, to the teacher immediately. Students who do not report damage immediately could be held responsible for covering the cost of repairing or replacing the damaged item.

Illegal and Harmful Objects

Alcohol, tobacco, and drugs will not be carried or used at any time. Matches, fireworks, knives, guns, slingshots, chemicals, and objectionable materials or objects are not to be brought to the school at any time.

Social Media

Engagement in online social media such as, but not limited to, Facebook, Twitter, Instagram, etc. may result in disciplinary actions if the content of the student's page or posting includes defamatory comments.

Bullying and Cyberbullying

Our Lady of Lourdes Catholic School is committed to providing a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making threats, whether joking or serious, online, in writing, or in person, or by texting or spreading rumors, will face detention, suspension, and/or expulsion. Every student is expected to respect the feelings of others. Language or behavior that is hurtful, threatening, or unkind will not be tolerated. Tripping, pushing, shoving, spitting, swearing, or making rude noises or gestures, are cause for disciplinary action. Students are to report disrespectful behavior to a teacher or administrator immediately. If inappropriate behavior continues after disciplinary action has been taken, students may be asked to withdraw from the school, or be expelled.

ANTI-BULLYING POLICY

The Office of Catholic Schools and Centers of the Diocese of St. Petersburg (herein referred to as the "DOSP") and each school within the DOSP (herein referred to as the "School") are committed to promoting a safe, healthy, caring, spiritual, and respectful learning environment for all of its students. The DOSP and each School is committed to protecting its students from bullying and/or harassment. As such, bullying and/or harassment is strictly prohibited, will not be tolerated and shall be just cause for disciplinary action. Therefore, this anti-bullying policy prohibits any unwelcome physical, social, electronic, nonverbal, verbal, or written conduct directed at a student by another student that has the effect of:

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, extorting, or taking a student's personal property;
- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or
- (5) creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities of the Catholic mission of the school; or
- (6) disrupting the orderly operation of a School.

III. Reporting Complaints

Any student and/or parent/guardian who reports alleged bullying at school is required to complete the Bullying Complaint Report Form. Per the policy, bullying is defined as:

- Unwanted aggressive behavior,
- Involves a real OR perceived imbalance of power, AND

All three parts of this definition must be present in a situation to be considered bullying. Please understand that not all negative peer conflict is actually bullying. Please note: this form can be obtained through the Assistant Principal or the School Office.

IV. Disciplinary Action

Concluding whether a student's action, conduct, behavior, or a particular incident constitutes a violation of this policy requires a determination based on the facts and circumstances of each complaint, followed by the determination of disciplinary sanctions. Any student found to have violated this anti-bullying policy will be subject to the appropriate disciplinary action, which may include, but is not limited to, temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the School's and/or DOSP's sole discretion. False reports or accusations of bullying and/or harassment also constitute a violation of this anti-bullying policy and will subject the offending party to appropriate disciplinary action.

Cell Phones, Cameras and Communication Devices

The staff reserves the right to confiscate devices used during school hours. Confiscated items may be retrieved **by parents only** from the teacher (first offense) or the Principal (all subsequent offenses).

Cell phones that are brought to school are to be handed into the homeroom teacher immediately following morning assembly and retrieved at dismissal. No cell phones are allowed in class, backpacks, pockets, purses, lockers, locker rooms, cafeteria, or playground. Any cell phone not turned into the homeroom teacher will be taken away from the student until the parent is able to retrieve it.

Personal Electronic Items

Personal electronic learning devices, such as e-readers, iPads, laptops, and other wireless devices including smart-watches are not permitted at school. All students are expected to be orderly and quiet in the hallways. Loud, boisterous behavior is not necessary and is not permitted. Chewing gum is not permitted.

DISCIPLINE POLICY

The Pastor and Principal of Our Lady of Lourdes Catholic School reserve the right, as they deem necessary, to take disciplinary action for any behavior which violates the spirit and philosophy of our school, and the teachings of the Catholic Church, even though it is not specified here.

As students grow they are taught both at home and school to take greater responsibility for their actions. As a result, discipline is handled differently in early childhood, primary, intermediate, and middle school grades. Any serious infraction of the Code of Conduct, at any level, will be handled within the scope of the 3rd-8th grade discipline policy, including issues of detention, suspension, and expulsion.

Early Childhood & Primary Discipline Policy and Procedures (EC3-2):

At Our Lady of Lourdes, we help our students find acceptable ways to express their feelings, communicate and behave appropriately, and develop strong, healthy relationships with their peers in accordance with our Code of Conduct. Positive redirection is our main source of discipline.

If a particular student is having either academic or disciplinary difficulty, communication between the parents and teachers will occur in order to ensure a positive behavior change.

- Communication may occur via note, email, telephone call, or scheduled conference.
- Administration, team leaders, school counselors, resource teachers, and other third-party resources may be informed by the teacher and participate in the conferences, as necessary.
- Records will be kept of all conferences and action plans may be put into place to help the student meet their full potential.
- In order to achieve a desirable situation, support of both parents and students is essential.
- The school reserves the right to dismiss any student whose needs are not being met by our available programs and resources.

Intermediate & Middle School Discipline Policy and Procedures (Grades 3-8)

As a community we strive toward a consistent atmosphere demonstrating a mutual respect amongst the students, faculty, and staff.

Discipline will be monitored and tracked by the classroom teacher in accordance with the Administration. Though the methods of behavior management may vary throughout the grades, the Code of Conduct and Discipline Policy will be consistent. Students and staff will follow the procedures outlined in the Discipline Policy.

Furthermore, we believe that our middle years students should be treated as 'up and coming young adults' and should be given increased responsibilities, while being held accountable for their actions, so that they develop the independence they will need to succeed in high school and beyond. Middle Years students will carry a tracking card for teachers to note warnings and infractions. **If the card is lost it will be an automatic level 1 infraction resulting in a detention.** Students will be given a Tracking Card which must be kept in the front pocket of their accordion folder at all times.

SEARCH AND SEIZURE

Our Lady of Lourdes Catholic School reserves the right to search desks, lockers, students, and personal belongings in order to ensure the safety, health, and property of the school, students, and staff.

Parent Integrity

Our Lady of Lourdes views the education of a student as a partnership between parents and the school. Parents and students are expected to comply with the school rules, policies, and consequences for inappropriate behavior. Parents and students are expected to accept and support the authority of school officials. Just as the parent reserves the right to withdraw a child, the school has the right to ask a student to withdraw if the administration determines that the parent or student partnership with the school is irretrievably broken.

****Because it is impossible to foresee all behavior problems which may arise, the pastor/administrator(s) reserves the right, when necessary, to take appropriate disciplinary action in response to these problems, even though that action may not be specified in this Handbook. This action may include, but is not limited to: immediate placement of the student in a higher Level, in/out of school suspension, or removal of the student from the school after administration's consultation with the Pastor and Superintendent. Such disciplinary actions will include documentation of the infraction and of the actions taken in response. A copy of the documentation will be given to the parent(s), to the student's homeroom teacher, and a copy will be placed in the student's personal folder. If a difference of opinion occurs between the administrator(s) and the student, or his/her parent(s)/guardian(s), and no other approaches to resolution of this difference of opinion are appropriate or successful, the administrator(s) will offer the family the appeals process established by the Diocese of St. Petersburg's Office of Schools and Centers.**

The Principal/Pastor has the discretion and final authority regarding the expulsion of students. The Diocesan Office of Catholic Schools and Centers will be consulted in all situations where an expulsion is warranted.

Code of Conduct for Children and Youth

The first premise of this Code is that children and youth function best when behaviors and expectations are clearly defined. It is accepted that parents are the first and foremost educators of their children in all aspects of their development. This experience aims at developing upright citizens and good Christians, following the new commandment Jesus gave His disciples, "A new commandment I give unto you that you love one another." (John 13:34-35)

In Timothy 4:12 we read "Let no one have contempt for your youth, but set an example for those who believe, in speech, conduct, love, faith and purity." Timothy is urged to rely on the gifts he has received from God. This code urges our children and youth to rely on God's gifts to them, especially charity, chastity, and purity. This calls the young person to acknowledge and promote one's personal dignity and the rights that go with it.

It becomes important for children and youth to know the difference between "right" and "not right" relationships. "Right" relationships foster personal, spiritual, and emotional growth, e.g., the ability to communicate, to forgive, to show affection, to be honest, vulnerable, dependable, etc. "Not right" relationships become harmful and hurtful, and even abusive. Abuse occurs when someone does not respect another's boundaries, uses power, tricks, threats, or violence to cross or change another's boundaries, or inflicts hurtful or unwanted behavior (physical, verbal, emotional, or sexual) on another person.

This Code is used in conjunction with existing local or Diocesan policies, protocols or other codes and is not intended to supersede them.

When engaging in formal and informal activities, functions, and programs, children and youth are expected to behave appropriately at all times, respecting the rights of others.

1. Christian behavior is expected at all times.
2. Respect for individuals, the community, and facilities being used, is required.
3. Cooperation and self-control are necessary when participating in programs and activities.
4. Dress must be in accord with the activity and appropriate for a Christian environment.
5. Unacceptable behavior and lack of cooperation will not be tolerated, and will be addressed appropriately. Examples of unacceptable behavior are as follows, though not limited to: a. Disrespect for adults and peers b. Use of vulgar language or gesture, use of racial slurs c. Damaging property d. Fighting or intent to injure others e. Constant disturbance of others while at work or during an activity f. Cheating
6. Possession of weapons, and possession, sale, or use of alcohol or drugs is forbidden.
7. No child or youth has the right to treat another in any manner that will cause physical or emotional pain. Harassment of any kind is unchristian and unacceptable.
8. Coercion or threats to do something physically hurtful or for the purpose of exposing someone or something about another, is unacceptable behavior.
9. Chastity is a virtue to be held in high esteem and promoted in practice. Sexual abuse of any sort, coercing a person to engage in sexual acts against her or his will, physically touching the sexual parts of another's body, treating a person like a sexual object, are all unacceptable and abusive behaviors. Consensual sex between students, or initiated by minors to adults must never occur.

This **Code of Conduct** applies to all parents, guardians, caregivers, volunteers, and visitors who interact with our schools and Catholic Education in the Diocese of St. Petersburg. It also applies to all parents, guardians, caregivers, volunteers, and visitors who are present at school and school sponsored activities, meetings, and/or functions within and outside of school hours. As parents, guardians, caregivers, volunteers, and visitors, there is an expectation of support for the Vision and Mission of Catholic Education in the Diocese of St. Petersburg.

PARENT/GUARDIAN PARTNERSHIP AND RESPONSIBILITIES

Enrollment at a parochial school such as Our Lady of Lourdes Catholic School is a privilege, not a right. Under normal circumstances, a student should not be deprived of a Catholic education on grounds relating to the attitude of the parents/guardians. However, a situation may arise in which the uncooperative or destructive attitude, actions, or words of parents/guardians so diminishes the effectiveness of the school that the family may be required to withdraw from the school. Parental support of a child's defiance of the school rules is completely unacceptable and will not be tolerated. Therefore, the following *Code of Conduct* has been promulgated by the Office of Catholic Schools and Centers for use in diocesan Catholic schools within the Diocese of St. Petersburg.

"In Unity We are One in the Lord"

CODE OF CONDUCT FOR PARENTS, GUARDIANS, CAREGIVERS, VOLUNTEERS, AND VISITORS

A Code of Conduct for Parents, Guardians, Caregivers, Volunteers, and Visitors of Catholic Schools in the Diocese of St. Petersburg

*“Search Me, O God, and Know My Heart”
-Psalm 139*

This **Code of Conduct** applies to all parents, guardians, caregivers, volunteers, and visitors who interact with our schools and Catholic Education in the Diocese of St. Petersburg. It also applies to all parents, guardians, caregivers, volunteers, and visitors who are present at school and school sponsored activities, meetings, and/or functions within and outside of school hours. As parents, guardians, caregivers, volunteers, and visitors, there is an expectation of support for the Vision and Mission of Catholic Education in the Diocese of St. Petersburg.

Code of Conduct for Catholic Schools in the Diocese of St. Petersburg

The school is a multifaceted organization comprising a diversity of populations that have distinctive relationships to one another. Relationships are at the very core of our Catholic Christian belief in our Triune (three persons in one) God. The Holy Trinity is God in relationship! This beautiful doctrine inspires all of us in Catholic Schools, to attempt to be a living Christian community in relationship with God and others. It is essential in such a community that all members recognize and respect not only their own rights and responsibilities but also the rights and responsibilities of other members of the community and those of the school itself. “All rights have to be balanced by responsibilities because we are in relationship” (Putney, 2005).

The responsibility for promoting and upholding these core values of the school community must fall on all those with the greatest capacity to reason and control their actions. Therefore, it is the expectation of the school that all parents/guardians/caregivers/volunteers and visitors model acceptable behavior always within the school setting, at school sponsored activities or when the school can be involved in any social or professional media. “It is incumbent upon parents to cooperate closely with the school teachers to whom they entrust their children to be educated; and in fulfilling their duty, teachers are to collaborate closely with parents who are to be willingly heard and for whom associations or meetings are to be inaugurated and held in great esteem” (*The Code of Canon Law*, Canon 796, Para. 2).

As a parent, celebrate that you play a foundational role in the development of your child's sense of justice, equity, and worth of all members of the school community. You are one of the most instrumental role models within your child's life. “Since parents have given children their life, they are bound by the most serious obligation to educate their offspring and therefore must be recognized as the primary and principal educators” (*Gravissimum Educationis*, 1965, para. 3).

This Code is designed to guide all stakeholders in their dealings with staff, other parents/guardians, students, and the wider school community. All staff and students at our Catholic schools are guided by similar codes. The Code is written in line with the school's values and expectations. The Code stands beside, but does not of course exclude or replace, the rights and obligations of individuals under common law. All Catholic schools are private property owned by the Roman Catholic Diocese of St. Petersburg.

The Gospel and Our Values:

We are called to emulate Jesus' call to love God and to love each other. We look to the values taught to us in scripture and the Christian belief to guide us, including: **Love** (1 John 4:7-19); **Promoting Life in Abundance** (John 10:10); **Inclusion** (Luke 19: 1-10); **Reconciliation** (Luke 15: 11-32); **Compassion** (Luke 10: 30-37); **Justice** (Matthew 25: 31-460); **Liberation** (Luke 4: 16-21); **Community** (John 15); and **Hope** (Luke 24: 13-35).

In living out these Gospel values, we strive to develop the following:

- An inclusive approach including a non-judgmental and welcoming attitude towards all people
- An ability to appreciate the situation of others
- A cooperative attitude in working with others
- Open, positive, and honest communication
- The ability to work civilly with other people
- Reverence for Creation
- Trusting relationships

- Responsible actions

As a Parent, Guardian, Caregiver, Volunteer, and/or Visitor, we ask that you:

- Support in words and actions the philosophy of Catholic Education
- Work in trust with the school for the common goal of achieving what is best for all
- Support your child/ren in all educational endeavors by giving praise and showing interest in school activities
- Help your child/ren to discover that it is more the process that is experienced, rather than the end-product, that makes it all worthwhile
- Model flexibility – encourage healthy problem solving
- Respect the decisions made by the administration, even if you disagree with them.
- Help your child/ren to understand that ‘giving of your very best’ is what matters rather than always comparing yourself against the capabilities or achievements of others
- Listen to your child/ren, but remember that a different version of the event may be interpreted by others
- Understand the importance of a healthy parent/teacher/child relationship and communicate any concerns to your school in a constructive and appropriate manner
- Validate that both parents/guardians and teachers work together for the benefit of the child/ren
- Observe the school’s policies, as outlined on the school webpage and/or the school’s handbook and endeavor to support them in the home
- Cooperate where your child’s behavior has overstepped accepted school standards, as outlined in the Student Code of Conduct, and follow specified protocol for communication with faculty/staff members
- Support the school in its efforts to maintain a positive teaching and learning environment
- Castoff gossip and hearsay by communicating with the school and always model good manners for your child/ren
- Sustain a positive and co-operative attitude and interact positively with other parents/guardians and members of the school community
- Encourage community building with other parents/guardians in your year, level, and across the school
- Value the school community and its reputation especially when engaging with social media
- Do not smoke or use offensive language on school premises

Rights of a Parent, Guardian, Caregiver, Volunteer, and Visitor:

- To be treated with respect and courtesy by staff, students, and other parents/guardians
- To be listened to, and clearly communicated with by the school, regarding your child/ren’s education and development
- To have confidentiality over sensitive issues respected by faculty/staff
- To be treated in a caring and polite manner
- To have a timely response to concerns raised, usually within 24-48 hours
- To be treated with professionalism by all faculty/staff members

Responsibilities of a Parent, Guardian, Caregiver, Volunteer, and Visitor:

- Value and advocate for your school and its reputation. Be mindful of the hurt and damage social media may cause to faculty/staff members and other parents/guardians
- Under no circumstances approach another child while in the care of the school to address, discuss or reprimand them because of actions towards your own child/ren
- Respect the rights of faculty/staff members and other individuals
- Respect the reputation of teachers and be mindful of communications especially social media; e.g. tone of emails
- Follow the correct procedures to resolve a grievance or conflict, as outlined in the school’s handbook
- Respect teachers’ preparation time before, during, and after school. Make an appointment for long discussions at a mutually convenient time. If you wish to speak to a teacher, please do not expect a meeting unless pre-arranged
- To protect our children do not discuss any grievances or perceived failings in front them regarding the school

- On excursions, helping in class or on campus, parents/guardians must follow the instructions and directions of the teacher. A parent may remind students of the rules but at no time issue consequences and should refer the student to the teacher if the behavior continues
- As valued members of the school community attend and participate appropriately in school liturgies or special events including athletics, concerts, academic and cultural events

Grievance Process for a Parent, Guardian, Caregiver, Volunteer, and Visitor:

Our Catholic schools want to work in partnership with our families. If anyone has a current complaint, criticism, or concern, it is expected the following steps be followed in the first instance:

1. Speak to the appropriate school person involved (e.g. class teacher) first and try to resolve the concern with mutual respect and clear communication. Where/if possible make an appointment with the relevant person. Follow the chain of command.
2. If for some reason this is not possible, then make an appointment to see an administrator, or other designated leadership personnel
3. The Administrator (or designee) should attempt to mediate and find resolution in the presence of both parties.
4. If, having followed Steps 1-3 with no satisfaction, you may complete the online form found on the website of the Diocese of St. Petersburg - Office of Catholic Schools and Centers for further facilitation.

It is important to note that criticism regarding a faculty/staff member will only be heard if it is related to their professional conduct.

Deliberate breaches and inability to respect the Diocese of St. Petersburg – Office of Catholic Schools and Centers Code of Conduct for Parents, Guardians, Caregivers, Volunteers, and Visitors, or exasperating complaints, may result in exclusion of a parent, guardian, caregiver, volunteer, and/or visitor from a school, and/or possible termination of enrollment of their child/ren.

If your complaint relates to Sexual Abuse by a faculty/staff member towards a child in both an historical or current matter, you should, contact the statewide toll free abuse and neglect registry at 1-800-96ABUSE (1-800-962-2873) and/or law enforcement.

Parents, Guardians, and/or Caregivers, when signing off on accepting the school's policies in the Enrollment Application Form, and by the act of accepting enrollment at a Diocese of St. Petersburg Catholic School, are accepting of this Code of Conduct in its entirety.

Excerpts of this policy have been used by permission of the Diocese of Townsville, AU.

COMMUNICATION

The success of Our Lady of Lourdes Catholic School relies on good communication and parental involvement. There are many ways for parents to become involved in the life of the school. Full, open, and ongoing communication is encouraged between the staff and the parents. When there is a need to share information, we will contact you and would encourage you to do the same. Staff email addresses are available on the school website. Please feel free to call during the day, leaving a message for the teacher you would like to speak to, and your call will be returned as soon as possible. In addition, we offer:

Flocknote

A weekly newsletter which is emailed to every parent most Friday mornings. This is an essential tool for parent communication, as it includes dates, documents, and important notices about our school. It is your responsibility as a parent to stay informed and report to the school if you are not receiving this message.

School Website (www.myoll.com)

This website is updated regularly to help keep you informed of school and classroom news. This site includes our links to the FACTS SIS Parent Portal, Facebook, and Twitter.

Parent Notification System

Parent Notification System is an instant alert notification system used to notify parents of school closings, emergencies, and important meetings via text, voice message, and e-mail. This service is intended to serve as a safety feature, as well as to keep parents informed. Parents must notify the office with any changes of email addresses or phone numbers to ensure the effectiveness of this system.

Emergency Contact Information

For the safety of all students, it is important that the school administration be able to contact parents in the case of an emergency. The school must be given written notification as soon as possible when there are changes in emergency contact information. Each parent must provide the school, in writing, with the following information:

- Home Phone Number
- Cell Phone Number
- Email Address
- Alternate Contact Information
- Custody Agreements

Our Lady of Lourdes Catholic School is unable to prevent a parent from picking up his or her child without a court ordered custody agreement. In addition, the school cannot uphold any court ordered agreement or document if an official copy has not been provided to the school office. All custody agreements are kept in a confidential file in the school office.

Report Cards

Report cards are distributed at the end of each term in Grades 1-8. Tuition must be current before students receive report cards. Kindergarten receives report cards beginning in semester two, while EC3 and EC4 receive an assessment report in January and annual report card at the end of the school year. Parents should examine and discuss the report card with their children. Report card envelopes are to be signed and returned promptly to the school.

CONFERENCES

Conferences are held to promote healthy dialogue that helps families better understand and assist student learning. Effective during the 2020-2021 school year, there will be two conference days for families to choose from (*Please see annual calendar – applicable months are: October and February*). These conferences are designed to be “Student Led Conferences,” and therefore, students are required to attend with their parent(s)/guardian(s). This is an opportunity for students to take ownership of their schoolwork and behavior, celebrate successes, and develop an action plan to correct any issues and/or areas of growth.

Other conference days are optional. Teachers will often request conferences with parents/guardians should a child be in academic jeopardy or if they have concerns. Conference schedules are prepared and issued by the classroom teachers well in advance of the scheduled date. Parents/Guardians requiring additional conferences during the school year may make arrangements with individual teachers. Appointments may be scheduled by writing or emailing the teacher, or in urgent matters, through a telephone call to the School Office.

Please refrain from calling teachers at their homes or showing up to school without a planned conference. Teachers have been instructed NOT to engage in conferences of this type. **All teachers should be given the professional courtesy of preparing for a conference before it is held. Therefore, the teacher(s) should be provided the courtesy of being made aware of your specific concern prior to the conference.** Impromptu discussions in homeroom/hallway/carline and/or unannounced visits for a conference are never appropriate. Our Lady of Lourdes Catholic School reserves the right to ask that students NOT attend a parent-teacher conference; however, teachers may request for students to be present.

A. Guidelines for Conferencing

Because Our Lady of Lourdes Catholic School strives to be a faith community, parental cooperation and good parental relations are essential. Our first instinct should be to assume that each of us – teachers, administrators, parents/guardians, and other care givers – have the child’s best interest at heart. While our school is excellent in many ways, no one within our community is perfect and problems and misunderstandings will occur. When a problem or disagreement arises, we will make every effort to contact you to clarify the situation. Parents/Guardians are asked to show similar respect. This way, positive resolutions can be reached.

While conferencing:

- Please be as courteous to the teacher as you would expect him/her to be to you. Questioning the teacher’s authority is never helpful. If you disagree with a teacher, please request a conference in private (without the child).
- Try to be open to both sides of the story if a problem arises. Perception differences and information reported incorrectly can lead to unnecessary confrontation with the teacher and unwise decisions.
- **Discuss difficulties in the classroom with the teacher before bringing your concerns to the attention of the Assistant Principal, Principal, and/or Pastor.** This includes problems such as routine procedures, (homework, class assignments), classroom or playground behavior, or student-to-student problems. Teachers can be contacted for appointments by email or with a phone call to the School Office. Teachers are available for conferences before and after school and in rare cases at other scheduled times.
- If the difficulty cannot be solved between the classroom teacher and the parent, the parent may request a conference with Administration:
 - Due to school responsibilities, the Assistant Principal, Principal, and/or Pastor may not be available immediately. Patience in setting appointments or in expecting return phone calls are appreciated and expected. Please allow 24 hours for email and phone call responses during the school week. **An appointment is necessary to conference with the Assistant Principal, Principal, and/or Pastor.** There is no exception to this policy. Please call the School Office to arrange an appointment time. It is the policy of administration NOT to have students present when conferencing about difficulties in the classroom. Administration may call the student down for a personal interview following the parent interview if needed.

- The administration will NOT entertain notes that are not signed or callers that do not identify themselves.

All faculty/staff members of Our Lady of Lourdes Catholic School promise prompt attention to problems, privacy in discussing matters, professional courtesy, respect when problems are presented, and a sincere effort to resolve problems in a Christian manner. Communication is the most effective method of understanding and problem solving. Communication and cooperation between student, parent/guardian, teacher, and administration is essential. If at any time a parent/guardian has a concern pertaining to their child in a school situation, we ask that the child's teacher be contacted as soon as possible.

B. Conference Request Sequence

Sequence Guidelines Regarding Conduct/Discipline Concerns

1. Teacher or Staff Member
2. Assistant Principal / School Counselor (if needed)
3. Assistant Principal and Principal
4. Principal and Pastor

Sequence Guidelines Regarding Academic/Classroom Concerns

1. Teacher or Staff Member
2. Principal and Assistant Principal / Resource Teacher (if needed)
3. Principal and Pastor

Parents/Guardians should discuss with the classroom teacher or staff member before going to the next step. This includes problems such as routine procedures (homework, class assignments), classroom or playground behavior, or student-to-student problems. Parents/Guardian stating that they do not have a good relationship with a teacher or that they have already held a conference with the teacher with regards to another problem ARE NOT deemed as sufficient reasons to skip steps. Teachers should be afforded the professional courtesy of a conference before parents/guardians speak with the Assistant Principal, Principal, and/or Pastor.

DRESS CODE

School Uniform

All students from EC3 through Grade 8 are required to wear the official Our Lady of Lourdes Catholic School uniform.

Volunteer Opportunities/School Fundraisers

Fall Festival

Fall Festival has been a way of life at OLL for over forty years, and is an integral part of the Dunedin community. Every year, hundreds of volunteers from our parish and school come together to put up the “big tent” and fill our campus with rides, games, live music, laughter, and fun! Thousands of visitors attend this event each year from the parish, Dunedin community and beyond. Time spent each October at this four-day event has become a wonderful tradition for many and it is a big part of the fabric of the OLL community. Some of the areas that volunteers are needed are: set-up and clean-up, food, flea market, games, 50/50, and baskets. For more information, visit the www.ollfallfestival.com. Failure to fulfill required volunteer hours for Fall Festival will result in a \$50.00/hour fine.

HEALTH & SAFETY

Illness

Students should stay at home and will not be permitted to school if ill or exhibiting any of the following symptoms: influenza, fever, rash, vomiting, severe sore throat, diarrhea, excessive cough, lice, or nits.

If a child is sent home for having lice or nits, the school will notify parents so that classmates can be checked that evening. No student will be permitted back in school until they are completely lice/nit free. The Administration reserves the right to inspect the child's hair upon reentry to school.

After an illness, students may return to school if their symptoms have not been present for at least 24 hours. Parents of children who have contracted a contagious condition such as chicken pox, strep throat, MRSA infections, or lice must notify the school office.

Absence due to illness is excusable, however parents must understand a pattern of irregular absences may negatively impact their child's grades. Your child's absence must be reported each day to the front office.

If students get sick or injured at school, parents will be called to pick them up immediately. The school is not able to take care of sick students for a long period of time.

Medication

When possible, parents should give medication at home. Teachers cannot give medication. All medication will be dispensed by the Administrative Assistant or School Receptionist, both of whom are first aid certified, when the following conditions are met... there is a serious health need, such as a chronic illness, or failure to take prescribed medication could jeopardize the student's health. All prescription medications to be dispensed in school require by law a written prescription by a doctor.

Written permission, using the Administration of Medication Form, for over-the-counter medications to be given to a student must be on file in the school office. This form must include the medication to be given, the dose, and the time it is given. All medication must be in the original container and sent to the office. Students bringing cough drops must have written permission from a parent, as well. Cough drops must be kept in the office and dispensed by office personnel. Please insure that medication is reliably and safely delivered directly to the school office and the Administration of Medication Form is completed.

Health Policies and Procedures

The State of Florida requires that a current record of immunization be on file in the school office. A health exam by a physician, within one year prior to admission, is also required. The Florida State Health Department requires that all children be immunized against diphtheria, tetanus, polio, measles, and rubella. Immunizations are to be documented on FORM 680 - the Florida Certificate of Immunization. A STUDENT WILL BE TEMPORARILY EXCLUDED FROM SCHOOL IF HE/SHE HAS NOT RECEIVED THE VACCINES INDICATED AND PRESENTED PROPER DOCUMENTATION TO THE SCHOOL OFFICE NO LATER THAN THE FIRST DAY OF SCHOOL. THERE WILL BE NO EXCEPTIONS.

Universal Precautions

To comply with federal law attempting to control the spread of disease by exposure to blood and other bodily functions, the staff, faculty, and students receive training on a yearly basis in the use of those health practices of good hygiene and protection that significantly reduce or eliminate the exposure to bloodborne pathogens. These practices are called "Universal Precautions."

DIOCESAN HARASSMENT POLICY

Our Lady of Lourdes Catholic School strives to establish a Christian, professional and supportive educational community for administrators, faculty and staff, parents, and students. The Diocese of St. Petersburg has adopted and promulgated a harassment policy for its schools that addresses behaviors that interfere with the school's mission. We, at Our Lady of Lourdes Catholic School, condemn any form of harassment. Concerns should be reported directly to the school administrator. All credible allegations will be addressed according to the Diocesan Policy.

Students should be aware that name calling, bullying, and verbal or physical threats are forms of harassment and are unacceptable in our Catholic environment. Under federal and state laws (Florida Statute 111.32) and policies, sexual harassment is illegal and prohibited in school settings. Sexual harassment is unwanted and unwelcome behavior of a sexual nature, which interferes with a student's right to learn, study, work, or participate in school activities in a comfortable and supportive atmosphere.

Some examples of behavior that may be considered sexual harassment are:

- Staring or leering at parts of someone else's body
- Comments, gestures, or jokes of a sexual nature
- Display of sexual pictures or objects
- Spreading sexual rumors or commenting about sexual behavior
- Repeated pressure for dates or unwanted sexual activity
- Touching, grabbing, or pinching
- Physical sexual assault

In keeping with the Christian regard for dignity of each person, sexual harassment will not be tolerated at Our Lady of Lourdes Catholic School.

Mandated Safe Environment Training

The US Council of Catholic issued the Charter for Protection of Children and Young People, which mandates training for individuals who come into contact with children and youth. This training helps individuals recognize, prevent, and report child abuse, including sexual abuse.

Safe Environment Training is mandated for anyone in ministry - priests, deacons, religious, educators, parents, volunteers, and church staff...anyone who will have a supervisory role with youth.

Policy Regarding the Reporting of Suspected Child Abuse or Neglect

The welfare of children is important to the staff at Our Lady of Lourdes Catholic School, as well as to the parents. Under Florida law, anyone who has reasonable cause to suspect child abuse or neglect is legally obligated to report that abuse to the Department of Children and Families, even if there is no definite proof (Florida Statute 415.504).

OLL Staff Training

Annual training is provided for school staff in emergency procedures and includes protocols related to:

- First Aid
- CPR
- Eye injuries
- Bleeding/Blood Borne Pathogens
- Anaphylaxis
- Head Injuries
- Heat Exhaustion/ Heat Stroke
- Fractures
- Choking
- Stomach injuries

- Epileptic Seizures

Visitor Screening Procedures

OLL uses the Raptor Visitor Management System to strengthen our program of campus safety for students and faculty. Part of keeping students and faculty safe is knowing who is in our buildings at all times, and the Raptor system will allow us to do that. The Raptor system will better allow us to screen visitors, contractors, and volunteers in our school and provide us with a safer environment for our students and staff.

Upon entering a district building, visitors will be asked to present an ID such as a Driver's License, which can either be scanned or manually entered into the system. If a parent or guardian for any reason does not have a US government-issued ID, the school staff member can use any form of identification and manually enter the person's name into the Raptor system. The Raptor system will check to ensure that registered sexual offenders are not entering our school campuses without our knowledge. The Raptor system checks the visitor's name and date of birth for comparison with a national database of registered sex offenders. The Raptor system will also screen against custom alerts the district/school configures, such as, non-custodial parents/guardians, no-trespassing orders, etc. No other data from the ID is gathered or recorded and the information is not shared with any outside agency. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit. A visitor's badge will not be necessary for those who visit our school simply to drop off an item in the office or pick up paperwork.

The safety of our students is our highest priority and the Raptor visitor management system allows us to quickly identify those that may present a danger to our students. Thank you in advance for your understanding and your support in enhancing the school safety protocols in our community.

Campus Security Notes: For the safety and security of our community, please remember that:

- All members of the community are to enter and exit through the designated exits.
- All visitors to the campus must enter through the front entrance and be vetted by the office staff.
- Students and Parents are asked to refrain from opening the door to school visitors.
- Classroom doors will be locked at all times.
- Locked doors are not to be propped open.

DRILLS AND PROCEDURES

Emergency Drills

Our Lady of Lourdes Catholic School conducts one emergency drill each month. The specific drills practiced are listed below.

Fire Drills

Students are taught where and how to exit the building in case of fire. For fire drills or fire emergencies, the fire alarm will signal to evacuate the building. Teachers regularly instruct students regarding specific procedures.

Tornado Drills

Students are taught the “duck and cover” procedure for hazardous weather drills and emergencies. For both drills and emergencies, students will be notified through the intercom system. Teachers regularly instruct students regarding specific procedures.

Intruder Drills

Students are taught the proper action procedures in the event of a potentially dangerous person or weapon on campus. Students are also taught the procedures for modified lockdowns in the event of a dangerous situation or person in close proximity to the school. Pre-Hurricane Procedures

Our Lady of Lourdes Catholic School will follow the Diocese of St. Petersburg Catholic Schools’ policy in regard to school closings in preparation for a hurricane.

Post-Hurricane Procedures

School Evacuations

In the event that Our Lady of Lourdes Catholic School has to be evacuated, due to toxic or hazardous materials on the premises or in the area, students will be walked to the Conmy Center, the Church, or the DuBois Center, depending on the location of the hazardous materials. The fire department will determine when it is safe for students and staff to return to the building.

Lock Down

In some situations, it may be necessary to perform a school lockdown. Law enforcement recommends the following procedures, which Our Lady of Lourdes Catholic School performs during a school lock down: A

“Lock Down” will be broadcasted to initiate the lockdown. All interior and exterior doors will be locked. No one (including parents) will be permitted to enter or leave the buildings. The lockdown will continue until the school receives an “all clear” signal from emergency personnel.

Parents should not call the school during a lockdown; the phone will be used by emergency personnel only. Lockdown drills will be performed with students as a preventative measure. Information will be provided as soon as possible via our emergency notification system.

USE OF TECHNOLOGY POLICY

Our Lady of Lourdes School provides technology for students in order to support learning and enhance instruction. Internet access is available to our students and allows them to utilize unique and diverse resources. Use of the internet is a privilege, not a right. Students who misuse this privilege may be denied access to school technology and face disciplinary action. Students (and their parents) who are issued specific equipment for school use will be expected to complete paperwork regarding the use of the equipment.

Parents will receive an Acceptable Use Policy for students at the beginning of each year. It is the parent's responsibility to explain the policy to their children and to make sure they understand it. Once it has been explained, the parent and students must sign off on the Acceptable Use Policy. Please submit a copy of the signed policy to the office. Although the Acceptable Use Policy is for on-campus technology, parents must be vigilant to ensure safe and appropriate technology use at home.
